**"And what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God." Micah 6:8**

How do you define *mission*?

What do you see working in *Christian mission* today? What is missing or not working?

Read Micah 6:6-8

Do we ask the question in Micah 6:6a enough in your opinion?

Why would the things offered in verses 6-7 seem like what the Lord would desire? (Remember the Old Testament context)

What would be modern day "offerings" we would bring before the Lord today?

What does the Lord require (verse 8)?

Has that changed today? Why or why not?

What did you hear or glean from Harvey Carey's message from the weekend?

What particularly challenged you from Harvey's message or the Micah passage?

What does the Jesus Creed (Mark 12:29-31) have to do with Micah 6:8?

How do these verses and the focus of our Domestic Mission Fest challenge:

- Our Church?
- You Personally?

### **Next Step**

Spend this week looking around your life and writing down the opportunities you see to live into Micah 6:8.

What is one way you will take a step to live a missional life?
