

Weekly Update

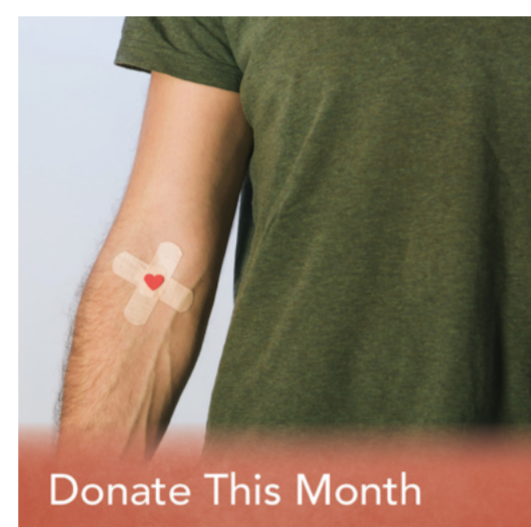

April 7, 2021

Our Controller and Senior Director of Finance, Jay Schommer, invites you to review our financial status to see how your faithful giving is being put to work toward building God’s Kingdom. “Christ Church values transparency and creating confidence with our gracious givers,” said Schommer.

“We invite you to review our first quarter 2021 financial update [here](#) to read about God’s provision for His church. Thank you for your continued support of God’s mission and ministry at Christ Church.”

Financial updates will be provided quarterly.
