Fifty two students took the next step in their faith journey last Saturday after completing their **Confirmation** at Christ Church. We congratulate the students for their commitment and look forward to being strong partners for them as they move forward in their lives, strengthened by their faith and emboldened by the love and support of their family, friends and church. "Confirmation is a faith milestone that we celebrate each year as students take the step to claim their faith in Jesus as their own and choose to follow Him through their lives," said Aaron Foster, High School Ministry Director.
