Registration is required for kids programming during in-person worship. Learn more [here](#).

Plan to attend our Festival of Keys at 3:00 p.m. Sunday, June 13. Learn more [here](#).

We invite you to subscribe to our weekly devotionals to engage more. Click [here](#).

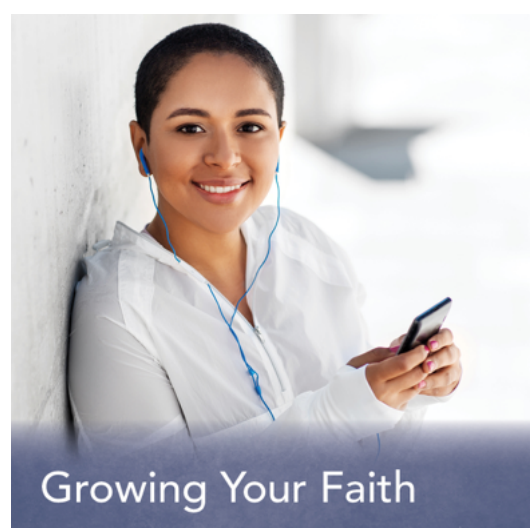

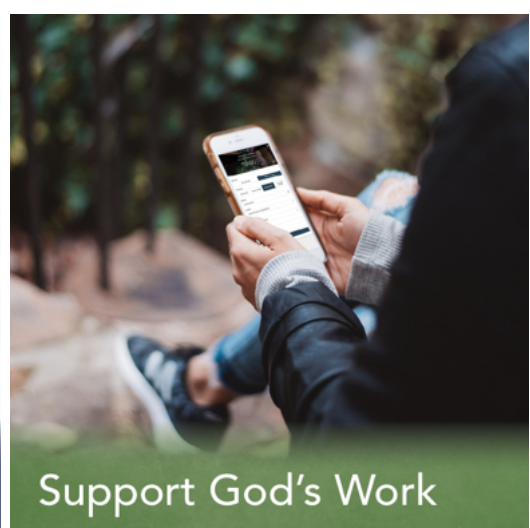

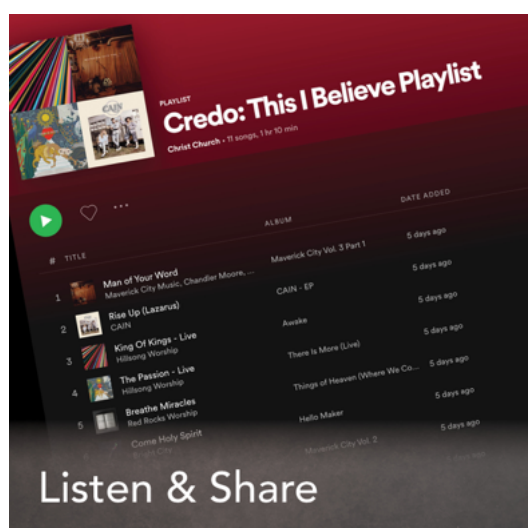

IN-PERSON WORSHIP UPDATES

Like many of you we are excited about entering this new phase of reopening and returning to familiar community practices. As Senior Pastor Dan Meyer shared this past Sunday, Christ Church leadership is thoughtfully and prayerfully discerning next steps for our worship services and gatherings. Watch your inbox this week for a special email communicating new protocols.

As a reminder, during the past two months we have removed registration and check-in requirements for adults to attend in-person worship and increased our capacity as we resumed Classic and Contemporary worship services at both the 9:00 and 11:00 a.m. time at our Oak Brook campus and 10:00 a.m. Contemporary at our Butterfield campus.

Additionally, in Oak Brook, we have lifted the pathway directions for entering and exiting our campuses and opened more doors to our buildings. We have also begun to add furniture back to all our gathering spaces. It has been our joy to see so many of you on Sundays!

We invite you to stay abreast of our **worship events** as we are offering more special gatherings.
